Dear Sir,

RE: INVOICE 25812

We act for Benders P/L and thank you for the written confirmation [vide your letter to Mr. Bender of 7/10/1992] that it was The Wilderness Society which [during an act of trespass] carried out the work of filling in drill holes within our Clients [Mining] Leasehold; your letter affords further confirmation of the number of drill holes so filled in for which, again, we thank you, as your letter will bulk large in the legal proceedings now in our Clients contemplation.

Yours faithfully,

J.A. MUNNINGS
